

PARTYBOX ULTIMATE 2

The loudest and fiercest party speaker with 1500 watts of JBL legendary sound and a full-panel immersive lightshow

Party without limits.

The loudest, fiercest JBL PartyBox ever, the Ultimate 2 is built to bring festival-level energy anywhere it's set up. Legendary JBL sound fills massive indoor and outdoor spaces—up to four basketball courts—so everyone feels the music, from the front row to the edge of the crowd. The sound hits big and physical, with vocals that stay front and center and bass you feel in your chest. AI Sound Boost works in real time to keep everything sounding huge, even when the volume is turned all the way up.

The lightshow is just as epic. A full-panel display sends ripple waves across the speaker, while layered lighting and bold floor projection extends the effects even further, creating a deeper, more immersive experience. Together, sound and light create a live-show moment that pulls everyone into the energy.

An intuitive touch screen control top panel makes it easy to take charge of the party, while karaoke and DJ features create endless ways to practice and play—from EasySing AI vocal removal and an optical input for easy TV-based karaoke setups to a pro-level XLR line-in for a direct DJ-console hookup. Built-in Wi-Fi, Smart EQ Mode, and JBL Auracast™ support keep the music flowing when the crowd gets bigger. Finished with splash-proof durability and rugged wheels built to roll anywhere the night leads, the Ultimate 2 is made for people who go all in. This is the JBL PartyBox built for the biggest nights.

Features

- ▶ Unmatched legendary JBL sound
- ▶ Bold lightshow experience
- ▶ Intuitive touch-screen control top panel
- ▶ Splash-proof for big nights
- ▶ High-quality Wi-Fi audio connections
- ▶ Built-in EasySing AI vocal removal for effortless karaoke
- ▶ Smart EQ Mode
- ▶ Better transportability
- ▶ JBL One app control
- ▶ Made with the planet in mind

PARTYBOX ULTIMATE 2

The loudest and fiercest party speaker with 1500 watts of JBL legendary sound and a full-panel immersive lightshow

Features and Benefits

Unmatched legendary JBL sound

With 1500 watts of legendary JBL sound, the PartyBox Ultimate 2 delivers power you can hear and feel from the very first beat. That's enough sound to rock a space the size of four basketball courts. Horn-loaded dual professional-grade PEN tweeters drive bright, detailed highs, dual 5" mids keep vocals strong and present, and dual 10" woofers with bass ports bring deep, physical low end. AI Sound Boost works in real time to keep everything loud, clean, and balanced, even when the volume is to the max. It's sound built to scale with the moment, no matter how big it gets.

Bold lightshow experience

The PartyBox Ultimate 2 features a revamped lightshow built around ripple-wave effects that sweep across the full front panel. Multi-layer lighting adds depth and motion, while a bold floor projection pushes the visuals out into the room. Together, the lights move with the music, filling the space and keeping the energy high.

Intuitive touch-screen control top panel

The touch-screen control top panel makes it easy to take charge of the night. At the center is a volume knob that doubles as a touch-screen controller, giving you quick access to sound, lighting, music, and more. The controls respond instantly as the vibe shifts. Play built-in party games—because no party is complete without games. Everything is right where it should be, so you spend less time thinking about settings and more time in the moment.

Splash-proof for big nights

Sudden drizzle? No sweat. The IPX4 splash-proof design keeps the music going as long as y'all are out.

High-quality Wi-Fi audio connections

Whatever you're hosting, the PartyBox Ultimate 2 keeps the music flowing. Stream high-resolution audio effortlessly over Wi-Fi connection using AirPlay 2, Chromecast, or Spotify Connect. USB-C delivers lossless playback and charging, and optical and XLR inputs make karaoke and DJ gear simple to plug in. And when one speaker isn't enough, Auracast™ lets you link multiple PartyBoxes or other JBL Auracast™-enabled speakers to fill even bigger spaces.

Built-in EasySing AI vocal removal for effortless karaoke

EasySing uses AI to dial back the original lead vocals on a song as much—or as little—as you want, so you're never limited to a karaoke catalog. Backing vocals stay in place, so the song still feels complete while you take the lead. From old favorites to the latest hits, any song you can stream can become your next sing-along. It works with any connected microphone, providing a clean, easy setup for anyone who's ready to stand up and start singing.

Smart EQ Mode

Smart EQ Mode uses AI to analyze what you're listening to and automatically tune the EQ in real time—so announcers stay clear and your music hits huge.

Better transportability

Moving a speaker this powerful shouldn't feel like a workout. The PartyBox Ultimate 2 rolls easily on rugged wheels and features a sturdy handle that gives you better control and balance as you move it. Indoors or outdoors, getting it set up feels smooth, steady, and a lot less like a production.

JBL One app control

The JBL One app puts full control of the PartyBox Ultimate 2 right in your pocket. With the power to change the song, fine-tune the sound, adjust the lightshow, or drop DJ effects from anywhere in the room, you can keep the energy right where you want it, even when you're in the middle of the dance floor.

Made with the planet in mind

The JBL PartyBox Ultimate 2 incorporates post-consumer recycled plastic and a recycled tweeter magnet. It's also packaged in FSC-certified paper printed with soy ink.

Technical Specifications

General Specifications

- ▶ Transducers: 2 x 264 mm (2 x 10") subwoofer, 2 x 124 mm (2 x 5") mid-range, 2 x 30 mm (2 x 1") tweeter
- ▶ Output power: 1500 W RMS (IEC60268)
- ▶ Power input: 100 – 240 VAC ~50 / 60 Hz
- ▶ Frequency response: 28 Hz – 20 kHz (-6 dB)
- ▶ Signal-to-noise ratio: > 80 dB
- ▶ Cable type: right-angle AC power cable (type varies by regions)
- ▶ Cable length: 2.0 m / 6.6 ft
- ▶ Supported formats (not for EMEA region): .mp3, .wav

Control and Connection Specifications

- ▶ USB charge out: PDO (5 V / 3 A, 9 V / 3 A, 15 V / 2 A, 20 V / 1.5 A), PPS (5 – 11 V / 2.7 A, 5 – 16 V / 1.85 A)
- ▶ USB Supported formats (Not for EMEA region): .MP3, .WAV, .FLAC, .FAT16, .FAT32
- ▶ 5G Wi-Fi transmitter frequency range: 5.15 – 5.35 GHz, 5.470 – 5.725 GHz, 5.725 – 5.825 GHz (Note: Band 5.6 -5.64GHz will be disabled when shipped to Australia / New Zealand)
- ▶ 5G Wi-Fi transmitter power: < 23 dBm (EIRP)
- ▶ 5G Wi-Fi modulation: OFDM (BPSK, QPSK, 16QAM, 64QAM, 256QAM, 1024QAM)
- ▶ 5G Wi-Fi network compatibility: 802.11a/n/ac/ax
- ▶ 2.4G Wi-Fi transmitter frequency range: 2.4 GHz – 2.4835 GHz
- ▶ 2.4G Wi-Fi transmitter power: < 20 dBm
- ▶ 2.4G Wi-Fi modulation: DSSS (DBPSK, DQPSK, CCK), OFDM (BPSK, QPSK, 16QAM, 64QAM, 256QAM, 1024QAM)
- ▶ 2.4G Wi-Fi network compatibility: 802.11 b/g/n/ax
- ▶ Bluetooth® version: 6.0
- ▶ Bluetooth® profile: A2DP V1.3, AVRCP V1.5
- ▶ Bluetooth® transmitter frequency range: 2400 MHz – 2483.5 MHz
- ▶ Bluetooth® transmitter power: ≤ 15 dBm (EIRP)
- ▶ Bluetooth® transmitter modulation: GFSK, π/4 DQPSK, 8DPSK
- ▶ Aux-In: 250 mVrms
- ▶ Line-in: 250 mVrms (XLR connector)
- ▶ Mic-In: 20 mVrms
- ▶ Guitar-In: 100 mVrms
- ▶ Bluetooth/USB Input: -12 dB

Dimension Specifications

- ▶ Product dimensions (W x H x D): 466.7 mm x 1052.5 mm x 493.3 mm / 18.37" x 41.44" x 19.42"
- ▶ Net Weight: 47.68 kg / 105.12 lbs
- ▶ Packaging dimensions (W x H x D): 1140 mm x 539 mm x 528 mm / 44.88" x 21.22" x 20.79"
- ▶ Gross Weight: 54.43 kg / 120 lbs

What's in the Box

- 1 x JBL PartyBox Ultimate 2 speaker
- 1 x Quick-Start Guide
- 1 x Safety Sheet & Warranty Card
- 1 x right angle AC Power cord (AC Plug varies by Region)
